Subject: Incorrect Cargo Carrying Capacity Label/FMVSS 110

Dear Ms. Tobias:

This letter serves to acknowledge Jayco, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
JAYCO/JAY FLIGHT SLX/2017

Mfr's Report Date: July 13, 2017

NHTSA Campaign Number: 17V-440

Components:
EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 116

Problem Description:

Jayco, Inc. (Jayco) is recalling certain 2017 Jay Flight SLX travel trailers equipped with the Rocky Mountain Package option. The Cargo Carrying Capacity (CCC) labels on the affected vehicles did not include the weight of the water tank and water when calculating the CCC, therefore, the CCC is overstated beyond the 1% variance allowed. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

Consequence:

Without an accurate CCC, the trailer may be overloaded, affecting the handling and increasing the risk of a crash.

Remedy:

Jayco has notified owners and will provide them with corrected labels, free of charge. The recall began on July 20, 2017. Owners may contact Jayco customer service at 1-800-283-8267. Jayco's number for this recall is 9901358.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
