Potential Number of Units Affected: 184

Problem Description:

Forest River, Inc. (Forest River) is recalling certain 2018 Forest River Dynamax, Forester, Sunseeker, and Coachmen Prism vehicles built on Mercedes-Benz Sprinter vans. The affected vehicles have tire labels on the B-pillar that list a tire pressure that is too low. As such, these vehicles fail to comply with the requirements of 49 CFR Part 567, "Certification."

Consequence:

Operating the vehicle with low front tire pressures may result in tire damage, increasing the risk of a crash.

Remedy:

Forest River will notify owners, and authorized Mercedes-Benz or Freightliner Sprinter dealers will inspect and replace the tire pressure label with correct tire inflation pressure, free of charge. The recall is expected to begin October 16, 2017. Owners may contact Forest River customer service at 1-854-888-3214. Forest River's number for this recall is 35.55.215-0491.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Forest River's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

It is our understanding that Daimler AG will be filing the quarterly reports for Forest River.
