Dear Mr. Fisher:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

FOREST RIVER/XLR/2018

**Mfr's Report Date:** August 25, 2017

**NHTSA Campaign Number:** 17V-523

**Components:**

EQUIPMENT:OTHER:LABELS  
TIRES

**Potential Number of Units Affected:** 34

**Problem Description:**

Forest River, Inc. (Forest River) is recalling certain 2018 XLR ToyHaulers, models XLT23KW and XLT23KW-W. The Federal Placard on these vehicles may not provide the incorrect tire and rim combination information of ST225/75R15/E tires needing 80 PSI and rims of 16X6.0JJ. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

**Consequence:**

If the information is incorrect, operators could install the incorrect size replacement tires, which can increase the risk of a crash.

**Remedy:**

Forest River will notify owners and provide a corrected Federal Placard, free of charge. The recall is expected to begin October 23, 2017. Owners may contact Forest River customer service at 1-574-642-0432. Forest River's number for this recall is 45-0509.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Forest River's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
