Dear Mr. Kurata:

This letter serves to acknowledge Mitsubishi Motors North America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

MINI/CLUBMAN/2004-2006

Mfr's Report Date: September 14, 2017

NHTSA Campaign Number: 17V-569

Components:

AIR BAGS: PASSENGER SIDE FRONTAL

Potential Number of Units Affected: 66,001

Problem Description:

Mitsubishi Motors North America, Inc. (Mitsubishi) is recalling certain 2004-2006 Lancer and Lancer Evolution vehicles and 2004 Lancer Sportback vehicles. These vehicles are equipped with a passenger side frontal air bag that may be susceptible to moisture intrusion which, over time, could cause the inflator to rupture.

Consequence:

In the event of a crash necessitating deployment of the passenger's frontal air bag, the inflator could rupture with metal fragments striking the vehicle occupants potentially resulting in serious injury or death.

Remedy:

Mitsubishi will notify owners, and dealers will replace the front passenger air bag inflator with a different inflator, free of charge. The recall is expected to begin on October 22, 2017. Owners may contact Mitsubishi customer service at 1-888-648-7820. Mitsubishi's number for this recall is SR-17-004. Note: This recall supersedes recall 15V-321.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Mitsubishi's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
