Mfr's Report Date: October 2, 2017

NHTSA Campaign Number: 17V-613

Components:

EQUIPMENT:OTHER:LABELS
TIRES

Potential Number of Units Affected: 1

Problem Description:

Forest River, Inc. (Forest River) is recalling one 2018 Haulin' Cargo trailer. The labels on this vehicle may list incorrect tire pressure information. As such, the trailer fails to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims," and the trailer fails to comply with the requirements of 49 CFR Part 567, "Certification."

Consequence:

The wrong tire pressure information may cause the tire to be underinflated, affecting vehicle handling, and increasing the risk of a crash.

Remedy:

Forest River will notify the owner, and a dealer will replace the affected labels, free of charge. The recall is expected to begin November 28, 2017. Owners may contact Forest River customer service at 1-574-848-1335. Forest River's number for this recall is 24-0530.

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Forest River's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
