Subject: Improperly Torqued Steering Assist Cylinder

Dear Mr. Steyn:

This letter serves to acknowledge E-One Incorporated's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

E-ONE/CYCLONE II/2016-2017
E-ONE/QUEST/2016-2017
E-ONE/TYPHOON/2016-2017

Mfr's Report Date: October 9, 2017

NHTSA Campaign Number: 17V-631

Components:

STEERING:HYDRAULIC POWER ASSIST SYSTEM

Potential Number of Units Affected: 356

Problem Description:

E-One Incorporated (E-One) is recalling certain 2016-2017 Quest, Cyclone II, and Typhoon emergency vehicles. The power steering assist cylinder may not have been properly tightened to the steering arm.

Consequence:

If the steering assist cylinder detaches there would be a loss of power steering assist, increasing the risk of a crash.

Remedy:

E-One will notify owners, and dealers will inspect and retighten the steering assist cylinder mounting bolts, free of charge. The recall is expected to begin November 13, 2017. Owners may contact E-One customer service at 1-352-861-3612.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received E-One's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
Chief, Recall Management Division
