Mr. John Turley
Honda (American Honda Motor Co.)
1919 Torrance Blvd
Torrance, CA 90501

NEF-150SM
17V-681

Subject: Water may Enter Fuel Tank

Dear Mr. Turley:

This letter serves to acknowledge Honda (American Honda Motor Co.)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

HONDA/CBR1000RR/2017

Mfr's Report Date: October 26, 2017

NHTSA Campaign Number: 17V-681

Components:

FUEL SYSTEM, GASOLINE:STORAGE:TANK ASSEMBLY:FILLER PIPE AND CAP

Potential Number of Units Affected: 2,443

Problem Description:

Honda (American Honda Motor Co.) is recalling certain 2017 Honda CBR1000RR and CBR1000RR SP motorcycles. There may be a gap between the fuel tank cap seal and the fuel filler neck which can allow water to enter the fuel tank.

Consequence:

If water enters the gas tank, the engine may stall, increasing the risk of a crash.

Remedy:

Honda will notify owners, and dealers will replace the fuel tank cap. If water has gotten into the fuel tank, the affected components will be replaced. These repairs will be performed free of charge. The recall is expected to begin December 4, 2017. Owners may contact 1-866-784-1870. Honda's number for this recall is KH7.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Honda's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at (202) 366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
