Subject: Hydraulic Leveling System Line may Leak

Dear Mr. Biazio:

This letter serves to acknowledge REV Recreation Group's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FLEETWOOD/JAMBOREE/2017-2018
HOLIDAY RAMBLER/VESTA/2017-2018

Mfr's Report Date: November 2, 2017

NHTSA Campaign Number: 17V-693

Components:

SUSPENSION

Potential Number of Units Affected: 395

Problem Description:

REV Recreation Group (REV) is recalling certain 2017-2018 Fleetwood Jamboree and Holiday Rambler Vesta motorhomes. The hydraulic leveling system lines may not be properly secured allowing them to contact the axle or the chassis drive train components, possibly resulting in a hydraulic fluid leak.

Consequence:

A leaking hydraulic fluid line can increase the risk of a fire or a crash.

Remedy:

REV will notify owners, and dealers will secure the hydraulic lines with insulated clamps as necessary, replacing any damaged hydraulic lines, free of charge. The recall is expected to begin December 29, 2017. Owners may contact REV customer service at 1-800-509-3417. REV's number for this recall is 171102REV.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with the first name being the most prominent.
