Problem Description:

REV Recreation Group (REV) is recalling certain 2018 American Coach American Dream, American Revolution, Fleetwood Discovery, Discovery LXE, Holiday Rambler Endeavor, Endeavor XE, and Monaco Marquis recreational vehicles. Water may enter the 12-volt harness connectors due to missing gaskets or the placement of the pin connectors, potentially causing an electrical short.

Remedy:

REV Recreation Group will notify owners, and dealers will inspect, and if necessary, install a gasket for each affected harness pin connector and re-route harnesses that terminate near luggage compartment number five, free of charge. The recall is expected to begin February 15, 2018. Owners may contact REV customer service at 1-800-509-3417. REV's number for this recall is 171213REV.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
