Chronology :

On November 8, 2017, Forest River's Office of Corporate Compliance (OCC) received a report from Prime Time of a potential issue involving the Federal Placards. Forest River initiated an investigation including a review of the printed federal placards and the size of tires and rims installed.

On November 10, 2017, Forest River's Corporate Committee decided to conduct a recall to address this issue.

Description of Remedy :

Description of Remedy Program : Forest River will provide new Federal Placards, free of charge to both Owners and Dealers.

862-1025

How Remedy Component Differs from Recalled Component : The remedy placard will have the correct tire and rim designations and PSI/kPa on the Federal Placard.

Identify How/When Recall Condition was Corrected in Production : The condition was corrected through a data entry revision during the week of November 10, 2017.

Recall Schedule :

Description of Recall Schedule : Forest River has the utmost urgency in our recalls. Forest River will send suspected VIN numbers to our third party vendor that is licensed to pull data on the current owner of the vehicles (as needed) once a formal NHTSA I.D. is provided. Forest River intends on pushing the mailing out as soon as NHTSA provides any correction(s) and an Acknowledgement Letter.
