Attention: All Mazda Dealership General, Service, and Parts Managers

Subject: Warranty Vehicle Inquiry still displays open Recall 9416E or 0617A for Mazda6, Mazdaspeed6 and MPV and open Recall 2618F Takata Passenger Frontal Air Bag Inflator

As advised in our dealer communication yesterday Recall 2618F launched today for all unrepaired Mazda6, Mazdaspeed6 and MPV vehicles previously in Recalls 9416E or 0617A. Due to a technical issue last night these vehicles still show as Open in Warranty Vehicle Inquiry for these three models for Recalls 9416E or 0617A. We have been informed by IT that the concern will be fixed by Monday July 9th, 2018. If you encounter a VIN with both recalls displayed please complete the Open recall 2618F as **parts are available for this repair.**
