IMPORTANT SAFETY RECALL

NHTSA RECALL CAMPAIGN # 17V-037

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Highland Ridge RV (Highland) has decided that a defect that relates to motor vehicle safety exists in certain Model Year 2017 Mesa Ridge, Roamer and Open Range fifth wheels and Mesa Ridge and Roamer travel trailers equipped with an outside range. The outside range can be stored in the unit while the gas valve is open. This could allow gas to enter and buildup within the vehicle, increasing the risk of an explosion or fire.

The recall remedy is to replace the existing gas valve handle for the range with a new style that will ensure the gas valve is closed prior to storage.

Our records show the following unit is affected by this recall and is currently part of your inventory and requires the Recall remedy completed ***prior to being sold***:

Serial Number Listing

Dealer Campaign Responsibility

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. *If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.*

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of the safety and continued satisfaction with the Highland Ridge recreational vehicle.

Sincerely,
Highland Ridge RV
