Date: February 06, 2017

Attn: Dealer Principal/General Manager/Service Manager/Parts Manager

Subject: Recall 157: 2017 Elantra Brake Booster (TSB #17-01-015)

## **\*\*\*IMPORTANT Dealer Stock and Retail Vehicles\*\*\***

As required by federal law, dealers must not deliver new vehicles for sale or for lease to customers until all open recalls have been performed. Dealers must also perform all open recalls on used vehicles, demo and rental vehicles prior to placing them into customer use and whenever an affected vehicle is in the shop for any maintenance or repair.

### Affected Vehicles

Hyundai has launched a safety recall to replace the brake booster on certain model year 2017 Elantra vehicles manufactured September 12, 2016 to January 18, 2017.

### Reason for this Recall

The diaphragm in the brake booster may unseat, resulting in a vacuum leak and reduction or loss of power brake assist. The condition does not result in a complete loss of braking, but the pedal effort is increased.

### Parts

- An initial supply of brake boosters will begin shipping to dealers with in-stock and retailed vehicles beginning Monday, February 13, 2017.
- **Additional parts will be available for order in WebDCS at a later date. Updated information on parts ordering will be provided the week of February 13, 2017.**
- Refer to the Technical Service Bulletin (TSB) #17-01-015 for parts details.

### Service Action

- The Technical Service Bulletin (TSB) #17-01-015 was published 02/06/17, and describes the service procedure to replace the brake booster.
- Affected VINs are posted on WebDCS> Service Tab> Information> Uncompleted Campaign VIN Listing – Dealer Stock and Retailed. Dealers may use owner information provided for the purpose of conducting and performing this recall campaign, and for no other purpose.

### Customer Notification

Hyundai will notify all owners of the vehicles described above to return their vehicles to their Hyundai dealers for inspection or repair. Customer notification letters of the recall campaign are scheduled to be mailed in late February 2017.

Thank you for your prompt attention to this important safety matter and continued commitment to taking care of Hyundai customers.
