Dear «Dealer\_name»,

Keystone RV Company has decided that a defect which relates to motor vehicle safety exists in certain model 2017 Dutchmen Coleman 2515RL Travel Trailers. As a result, Keystone RV is conducting a safety recall.

***Reason for  
this recall***

It has been decided that the vehicles in this recall population fail to conform to the requirements of Part 567, "Certification." The vehicles subject to this recall may have been manufactured with the incorrect information on the Federal Identification Tag and Tire and Loading Information Label. The corrections to the tags are as follows:

Tire Size: ST205/75R14C      Rim Size: 14X5.5J

The vehicles included in the recall are:

**2017 Dutchmen Coleman      Models: 2515RL      Serial Number Range: HM935198- HM936624**

We have enclosed the corrected tags to remedy the situation for the following Vehicle Identification Number(s) presently in your inventory (\* indicates customer-owned and a tag is not enclosed):

«VIN1» «VIN2» «VIN3»

By signing for and receiving the replacement Federal Sticker, you acknowledge that you will install the new Federal Sticker over the existing Federal Sticker on only the above described recreational vehicle.

NOTICE: The Federal Sticker may not be used for any purpose other than to affix it to the described Keystone recreational vehicle. If the sticker is used for any other purpose whatsoever, the dealership could be responsible for all consequences of such misuse and all associated penalties, fines, and judgments that may be imposed under any applicable federal laws, rules, and regulations.

We apologize for any inconvenience this situation may cause and greatly appreciate your cooperation. Should you have any questions or concerns regarding this correspondence, please contact:

Keystone RV Customer Service 1-855-895-4422

Sincerely,

**KEYSTONE RV COMPANY**
