IMPORTANT SAFETY RECALL STOP DELIVERY NOTICE

Dear Valued Dealer:

This notice is sent to you in accordance of the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2017 Designer fifth wheels manufactured with the disc brake option. The steel rim of the spare tire interferes with the brake caliper. The brake caliper rubs the inside of the rim, which could cause a tire failure and result in increased risk of a crash.

The remedy is to replace the original spare tire with a spare of the same size, with an aluminum rim. Our records show the following unit is affected by this recall and is currently part of the inventory at your dealership. A new spare is shipping directly to you for this unit. **NO ORDER IS REQUIRED**
The Recall Remedy must be performed on this unit *prior* to possession by a retail owner:

Serial number

Dealer Campaign Responsibility

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.

If you have any questions, please contact Jayco Customer Service 800-283-8267 for further instructions.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of our customer's safety and continued satisfaction with their Jayco fifth wheel.

Sincerely,
Jayco Towable Division
