***** Campaign Summary *****

Nissan is amending the population for safety recall 17V-253 (PM678) and establishing a unique campaign I.D. for tracking purposes. On this amended population, Nissan is conducting a voluntary safety recall campaign **to inspect, and if necessary, install a new passenger air bag inflator** on specific MY2014, 2016-17 Nissan Sentra (B17) vehicles.

Note: This recall is not related to the Takata Air Bag Inflator Recall.

***** What Dealers Should Do*****

- Verify if vehicles are affected by this Voluntary Safety Recall Campaign using Service Comm I.D. **PM691**.
 - New vehicles in dealer inventory can be also be identified using DBS (Sales-> Vehicle Inventory, and filter by Open Campaign).**
 - Refer to NPSB 15-460 for additional information
- Dealers should not sell, lease, trade, rent or loan any vehicles in dealer inventory affected by this recall campaign until after the vehicle has been repaired.
- Dealers should use **NTB17-087** to inspect and, if necessary, remedy any vehicles subject to this campaign.
 - Dealers will obtain the inflator serial number and enter the serial number into ASIST
 - ASIST will query the serial number entered against a table of affected serial numbers and instruct the dealer to either release the vehicle or replaced the inflator with a new one
 - If no repair is needed, dealers may submit the inspection claim, and release the vehicle for sale with no further action
 - If repair is needed, dealers will replace the front passenger air bag inflator
 - Rental is covered by the campaign while parts are on order if requested by the customer:

******* Dealer Responsibility *******

It is the dealer's responsibility to check Service Comm using the appropriate Campaign I.D. for the campaign status on each vehicle falling within the range of this voluntary safety recall campaign which for any reason enters the service department. This includes vehicles purchased from private parties or presented by transient (tourist) owners and vehicles in dealer inventory. If a VIN subject to this recall campaign was part of a dealer trade, the letter associated with that VIN should be forwarded to the appropriate dealer for service completion.

Frequently Asked Questions (FAQ):

Q. Is this a safety recall?

A. Yes, a Stop Sale is in effect.

Q. What is the reason for safety recall?

A. Due to a supplier manufacturing error, which has since been corrected, certain front passenger air bags may have been manufactured outside of Nissan specifications. In rare cases, this may lead to improper air bag deployment in the event of a crash, which can increase the risk of injury to the front seat occupant.

This issue was only observed in a laboratory test, and Nissan is not aware of any incidents related to this condition. The recall is being conducted proactively out of an abundance of caution.

Q. What will be the corrective action for this voluntary safety recall campaign?

A. Dealers will inspect and, if necessary, install a new passenger air bag inflator in affected vehicles.

Q. How long will the corrective action take?

A. This free service can take up to one (1.0) hour to complete, but your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

Q. When will vehicle owners be notified?

A. Nissan will begin notifying owners of all potentially affected vehicles in **September 2017** via U.S. Mail.

Q. Are parts readily available?

A. Yes.

Q. Will a rental vehicle be provided while the dealer is awaiting parts for this recall?

A. Rental is covered by the campaign while parts are on order if requested by the customer.

EXPENSE CODE		DESCRIPTION
502	Rental Expense	\$120 (Max)
Contact the Warranty claims call center 1-800-258-7008 Option 7, if additional expense is required. Please refer to WBI17-011 for additional information on application of rental reimbursement.		

Q. Is my vehicle safe to drive?

A. Owners may continue to drive their vehicles at their discretion. Nissan is not aware of any incidents associated with this issue. If your vehicle is subject to this campaign, you will receive an Owner Notification letter from Nissan which will provide instructions on how to remedy your vehicle.

Q. Have there been any injuries or fatalities related to this defect?

A. No, this issue was observed in a laboratory test and Nissan is not aware of any related field incidents. This recall is being conducted proactively out of an abundance of caution.

Q. Is there anything owners can do in the meantime?

A. If your vehicle is subject to this campaign, you will receive an Owner Notification letter from Nissan, which will provide instructions on how to remedy your vehicle.

Q. Is there any charge for this repair?

A. No. The remedy will be performed for the customer free of charge for parts and labor.

Q. Will I have to take my vehicle back to the selling dealer to have the service performed?

A. No, any authorized Nissan dealer is able to perform the recall campaign once parts and instructions are available.

For Consumer Affairs: Please inform us of the dealer where you would like to have the corrective action completed.

Q. I have lost confidence in the vehicle. Will Nissan replace or repurchase the vehicle?

A. The remedy will fully correct this condition. As the condition will be corrected, there is no basis for repurchasing or replacing your vehicle.

Q. What model year vehicles are involved?

A. Certain 2014, 2016-17 Nissan Sentra vehicles manufactured between September 21, 2014 and December 23, 2016 are affected.

Q: Are any other countries or regions affected by the same issue?

A: Yes, multiple markets including the U.S. and Canada are affected.

Q. Are you experiencing this condition on any other Nissan (or Infiniti) models?

A. No.
