***** Parts and Repair Update*****

Nissan is revising the repair procedure for this campaign and will be issuing a revised bulletin by October 20, 2017. Vehicles already repaired using the current procedure are fully remedied and do not require any rework. Nissan anticipates being able to accept new SVC orders for the parts used in the revised repair procedure by **October 23, 2017**.

NOTE: Dealers may continue to use their existing parts supply to complete repairs in the interim.

All existing parts orders for R1719, including garnish-lock pillars (76914-EZ28A, 76913-EZ28A), will be fulfilled. DBS will not accept any new orders placed for garnish-lock pillars (RH and LH).

If a dealer has no current supply of garnish-lock pillars, please contact campaignannouncements@nissan-usa.com for any immediate needs. Please include the following information in the request:

- Dealer Number
- Dealer Name
- VIN
- Part Number(s)
- Reason for request
