Subject: Advance Notice - Safety Recall 37K6 – Gearbox – USA ONLY
Certain 2017 MY Audi Q5

Audi has notified NHTSA about the upcoming safety recall described in this letter.

CODE	37K6
AFFECTED VEHICLES	Certain 2017 MY Audi Q5 Audi has identified five (5) vehicles in the United States affected by this recall. All affected vehicles are held and are in the process of being repaired.
RECALL DESCRIPTION	Due to a manufacturing defect within the gearbox, when the shift selector is moved to the Park position the gearbox may not engage the parking pawl. If this happens and the parking brake is not set, the vehicle could roll unexpectedly and cause injury to people and damage to property.
PRECAUTIONS	Until this recall repair has been performed, customers with affected vehicles are advised to always set the parking brake after placing the vehicle in Park.
CORRECTIVE ACTION	Dealers will replace the gearbox in affected vehicles at no cost to customers. Audi has made outbound calls to affected customers to alert them to this recall.

IMPORTANT REMINDER ON VEHICLES AFFECTED BY SAFETY & COMPLIANCE RECALLS

New Vehicles in Dealer Inventory: It is a violation of Federal law for a dealer to deliver a new motor vehicle or any new or used item of motor vehicle equipment (including a tire) covered by this notification under a sale or lease until the defect or noncompliance is remedied. By law, dealers must correct, prior to delivery for sale or lease, any vehicle that fails to comply with an applicable Federal Motor Vehicle Safety Standard or that contains a defect relating to motor vehicle safety.

Pre-Owned Vehicles in Dealer Inventory: Dealers should not deliver any pre-owned vehicles in their inventory which are involved in a safety or compliance recall until the defect has been remedied.

If you have any questions or require additional assistance, please contact Warranty. As always, any press inquiries should be directed to Audi Public Relations.
