VIN: 1NL1DTH

Date: June 26, 2017

Dear Dealer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Gulf Stream Coach, Inc. has decided that a defect which relates to motor vehicle safety exists in the Federal ID label installed on your recreational vehicle(s) as follows:

Vista Cruiser 17RWD model years 2015 to 2017; **Vista Cruiser 19CSK** model years 2016 to 2017; **Vista Cruiser/Vintage Cruiser 19RBS** model years 2016 to 2017; **Vista Cruiser VC23RSS** model years 2016 to 2017 and **Vintage Cruiser VN23RSS** model years 2016 to 2018.

Problem Description:

On certain travel trailers, the certification label does not contain the correct tire size information and load range information. The label may not contain the correct tire size information. The label incorrectly states ST215/75R 14 C rated tire(s), when it should be ST205/75R 14 D rated tire(s).

Consequence:

As a result, the incorrect tire size may inadvertently be fitted for the vehicle, which may lead to poor vehicle handling characteristics and potential result in a crash causing injury and/or property damage.

Remedy:

A replacement label is enclosed to replace the original label. To install, make sure the original label is removed from the recreational vehicle, the area where the original label was installed should be clean and dry to promote adequate adhesion of the new replacement label. Remove the label backer exposing the adhesive backed label and put in place with applied pressure. If you have concerns with being able to properly install the new label, your dealer may be contacted for assistance. Installation by your dealer will be done free of charge and should take approximately ten minutes to perform the replacement. Once label is installed, please return the enclosed postage paid card to complete this process.
