F: 204 325 5241

This notice is sent to you in accordance with the requirements of the National Traffic & Motor Vehicle Safety Act. Triple E Recreational Vehicles has decided that certain 2016 & 2017 Wonder W24MB motorhomes manufactured between December 2015 & March 2017 fail to conform to Federal Motor Vehicle Safety Standard

301 Roblin Blvd.
P.O. Box 1230
Winkler, Manitoba CA
R6W 4C4

Description of Noncompliance:

U.S. Mailing:
P.O. Box 68
Walhalla, ND 58282

The Ford Transit Chassis frame extension adapter does not have 4 (Four) M12 x 90mm grade 10.9 bolts installed for extra rigidity for the frame extension. This could cause the frame and/or frame extension structure to distort when towing, which could increase the risk of a crash causing injury and/or damage to property.
