IMPORTANT SAFETY RECALL
NHTSA Recall Campaign 17V-385

Dear Valued Starcraft Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Starcraft has decided that a defect that relates to motor vehicle safety exist in certain Model 2018 Launch Outfitter Travel Trailers manufactured April 5, 2017 through May 16, 2017 **with the sleeper/tri fold sofa OR theater seating option**. The outlet between the optional seating and the kitchen sink may not be GFI protected as required under the National Fire Protection Association (NFPA). The unprotected outlet creates a greater risk for possible electrical shock while operating electrical appliances.

The recall remedy is to test the affected outlet for GFI protection and replace with GFI outlet when required.

Our records show the following Starcraft unit is affected by this Recall and is currently part of the inventory at your dealership. This unit requires the Recall Remedy performed **prior to leaving your Dealership**.

Dealer Campaign Responsibility

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.

If you have any questions, please contact Starcraft Customer Service 800-945-4787 for further instructions. All pertinent documents regarding this recall are available on Star Connect under the Service and Parts tab.

We certainly regret this inconvenience; however your safety is our most important priority.

Sincerely,
Starcraft
