SAFETY RECALL: 17V392

Closet Mirror

Dear Pleasure-Way Lexor TS Dealer:

VIN#: _____

This notice is sent to you in accordance with the requirements of the National Highway Traffic and Motor Vehicle Safety Act.

Recall Identification

What is the reason for the notice?

Pleasure-Way Industries Ltd. has decided that a defect related to the motor vehicle safety exists in certain 2017 Pleasure-Way Lexor TS model vehicles. In some vehicles the mirror on the back of the closet door may become unattached from the closet door due to the adhesive used to secure the mirror to the back of the closet door not being compatible with the mirror safety backing. The mirror could become unattached from the closet door and fall to the floor when the door is open. The falling mirror could cause personal injury or damage to property in this immediate area.

What should you do?

If the vehicle is not already sold, a recall kit including all necessary items as well as instructions will be sent directly to you. Once you receive the recall kit please repair the vehicle as instructed. This repair will be done at no charge to you as a dealer. Please request reimbursement through the warranty claim form process.

If the vehicle is already sold and delivered to a new owner, please forward all owner contact information to warranty@pleasureway.com or phone 1-800-364-0189 with the information.

If you have any questions about this recall.

Please contact Pleasure-Way Industries limited 1-800-364-0189 or email warranty@pleasureway.com.

We apologize for any inconvenience this campaign may cause.

Sincerely,

Phil Nickel
