Attention: All Mazda Dealership General Managers, Service, and Parts Managers

SUBJECT: Safety Recall 1217F Hand-Operated Parking Brake Concern Expansion to remaining 2016 Mazda3 vehicles

Beginning March 16, 2018 all remaining 2016 Mazda3 vehicles will be in Open status on eMDCS and "Parts Available" letters will be sent to 34,703 Mazda3 customers.

This will conclude mailing for Recall 1217F as all vehicles are now in Open status and parts are available for all vehicles. Orders for both the left and right side Mazda3 caliper parts will remain a VIN specific order from the Recall 1217F order screen from the DAG Restricted Parts Order tab found on MXConnect.

Please ensure that EVERY vehicle coming in for service has a Warranty Inquiry performed to check for any Open campaigns.

[Because Driving Matters, Safety Matters. Your safety is important to Mazda.](#)

Sincerely,
