Subject: **Product Stop Sale / Non-Compliance Recall; Accessory Side Cases**

ATT: All BMW Motorrad USA Dealers

Topic: Product Stop Sale / Non-Compliance Recall; Accessory Side Cases (affected models below)

BMW Motorrad USA is announcing a Stop Sale and Non-Compliance Recall for side luggage cases for various models. The stop sale and recall concerns the side cases blocking visibility of the rear side reflectors when installed on the motorcycles. The following models are affected:

R 1200 GS

R 1200 GSA

R 1200 R

R 1200 RS

S 1000 XR

F800 GT

F 800 R

The side cases cannot be retailed as they would cause a non-compliance when installed on the motorcycle. Side cases in dealer inventory must be held and cannot be sold. The related part numbers have been blocked from dealer ordering until further notice.

A solution is currently being developed and further information will be communicated next week.

NHTSA Statement

Please be reminded that it is a violation of federal law (The Safety Act) for you to sell or deliver any new motor vehicle parts covered by this notification until the recall repair has been performed. This means that centers may not legally deliver new motor vehicle parts to consumers until they are fixed subject to this recall. Note also that substantial civil penalties apply to violations of the Safety Act.
