Subject: **STOP SALE F 800 R, F 800 GT (K71 & K73)**

ATT: BMW MOTORRAD DEALERS

Subject: STOP SALE F800GT and F800R.

A stop sale is being announced by BMW Motorrad for the F 800 GT and F 800 R. The stop sale concerns a compliance issue with the rear side reflector and a safety recall will be issued. A service solution is not expected until November. At that time unsold bikes as well as existing customer bikes will need to be repaired. A total of 1,478 bikes are affected by this issue. More information will be shared as it becomes available.

NHTSA Statement

Please be reminded that it is a violation of federal law (The Safety Act) for you to sell, lease or deliver any new motor vehicle covered by this notification until the recall repair has been performed. This means that centers may not legally deliver new motor vehicles to consumers until they are fixed or use/sell replacement equipment/parts subject to this recall. Note also that substantial civil penalties apply to violations of the Safety Act.

Also, you should not sell, lease or deliver any used vehicles subject to a safety recall until the repair is completed.
