Subject	STOP SALE NOTICE: 2017 CBR1000RR/RA/S1
----------------	--

October 26, 2017

Re: STOP SALE NOTICE

Dear Honda Dealer:

Honda is launching a SAFETY RECALL on all model year 2017 CBR1000RR/RA/S1 motorcycles to replace the fuel cap assembly.

If the fuel cap seal swells, a gap may occur between the fuel tank cap seal and the fuel filler neck. The gap may allow water to enter the fuel tank from the outside. If water enters the fuel tank, it may cause engine stalling.

Safety Consequence An engine stall could result in the loss of power and may increase the risk of a crash.

Effective immediately, YOU MUST NOT SELL any NEW or USED 2017 CBR1000RR/RA/S1 motorcycles:

AFFECTED UNITS

All 2017 CBR1000RR/RA/S1

To search for applicable recalls on a specific unit, use *Unit Information* on *iN* (effective Nov. 1). To manage your affected inventory, use *eResponsibility Report* (effective Nov. 1).

SERVICE BULLETIN

Service Bulletin CBR1000RR #9, which includes the affected VIN ranges, repair procedure, parts information, as well as warranty claim information, is forthcoming.

PARTS INFORMATION

All dealers with affected inventory will automatically be shipped parts to repair all units in their inventory in the near future.

CUSTOMER NOTIFICATION

AHM intends to mail customer letters as early as possible, subject to regulatory agency approval.

Make sure all departments in your dealership are aware of this action.

If you have any questions, please contact AHM TechLine through TechLine Connect on *iN* or contact your District Service Manager.

Sincerely,
American Honda Motor Co., Inc.
Motorcycle Division
