Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that certain Model Year 2016-2018 Aspire, Anthem, Cornerstone and Insignia Class A Motorhomes fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 108, "Lamps, reflective devices, and associated equipment." The required reflectors and/or lights with reflectivity were not installed during manufacturing. Without the required reflectors and/or lights with reflectivity, the motor home visibility to other drivers may be compromised, which can increase the risk of a crash.

The recall remedy is to remove the noncompliant light and install a replacement light that complies with the lighting and reflectivity requirements of FMVSS 108 "Lamps, reflective devices, and associated equipment.
