December 2017

IMPORTANT SAFETY RECALL
NHTSA Recall Campaign # 17V-696

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that certain 2018 Jay Flight SLX Travel Trailers manufactured July 17, 2015 through August 31, 2017 at the Idaho production facility and January 14, 2016 through August 31, 2017 at the Indiana production facility have incorrect wiring from the battery to the 35amp converter.

The electrical circuit from the battery to converter does not have overcurrent protection. If a short-circuit would occur, the unprotected circuit could overheat resulting in a fire, increasing the risk of injury and /or damage to property. The Recall Remedy is the installation of appropriate circuit protection.

Our records show the following unit is affected by this Recall and must have the recall remedy performed **prior** to leaving your Dealership.

UNIT SERIAL NUMBER

Dealer Campaign Responsibility

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. **If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.**

If you have any questions, please contact Jayco Customer Service at 800-283-8267 for further instructions.

We certainly regret this inconvenience; however our Customer's safety is our most important priority.

Sincerely,
Jayco Towable Division
