Please reference Safety Recall T73.

IMPORTANT SAFETY RECALL

Passenger Airbag Module

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA has decided that a defect, which relates to motor vehicle safety, exists in certain [2018 (MP) Jeep Compass] vehicles.

WHY DOES MY VEHICLE NEED REPAIRS?

The Passenger Airbag (PAB) module on your vehicle ^[1] may experience loose PAB inflator mounting nuts in the PAB module assembly. **Inflator mounting nuts outside of the cushion assembly can become potential projectiles during PAB deployment. Inflator mounting nuts inside of the cushion assembly can potentially strike an occupant through the cushion fabric. Either of these conditions may result in serious occupant injury or death during a crash that requires PAB deployment.**

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

The remedy for this condition is not currently available. We are making every effort to finalize a remedy and obtain parts as quickly as possible, and will service your vehicle free of charge (parts and labor).

You are advised to avoid using the front passenger seat until the situation is remedied.

FCA US will contact you again, by mail, with a follow-up recall notice when the remedy and/or parts are available. Once you receive your follow-up notice, simply contact your Chrysler, Jeep®, Dodge or RAM dealer right away to schedule a service appointment ^[2]. Additional options for your next steps are included on the left side of this notification. We appreciate your patience.

WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online ^[3]. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.

Customer Assistance/Field Operations
FCA US LLC
