SUBJECT : Recall Notice – NHTSA 17V777

SAFETY RECALL NOTICE

Firetrace USA LLC (Firetrace) has notified Temsa Ulasim Araclari (Temsa) that Firetrace is conducting a recall.

Temsa Ulasim Araclari Sanayi ve Ticaret A.S. is recalling certain model year 2017-2018 TS30, TS35E, TS45 motorcoaches manufactured between July 2016, to February 2018 considering Firetrace Notice. Accordingly, a recall to address this issue is being initiated effective on 12/06/2017

Firetrace report states that they found inconsistencies between the batches of ABC dry chemical being used from one specific supplier. If there are contaminants in the fire suppression dry chemical, the chemical may discharge improperly, affecting the suppression of a fire and increasing the risk of injury. Owners will be notified by mail about the recall and CH Bus Sales will be instructed by technical service bulletin to support this recall. There is no cost to owners for this recall.

Firetrace will provide service bulletin for the remedy action.

Please be reminded that it is a violation of Federal law for you to sell or lease the TS30, TS35E and TS45 vehicles covered by this notification until this recall has been performed on these TS30, TS35E, TS45 vehicles. Substantial civil penalties apply to violations of this law.

Your assistance with this recall is appreciated. Should you have any questions or concerns, please contact with us.

Sincerely,

Ibrahim Eserce
R&D and Technology Director
