Dear Mercedes-Benz Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz USA has decided that a defect, which relates to motor vehicle safety, exists in certain Model Year 2012-2015 C-Class vehicles. Our records indicate that your vehicle is included in the affected population of vehicles. We previously sent you an interim letter notifying you of this recall and advising you that a second letter would be mailed once parts were available. **Remedy parts are now available for your vehicle.**

What is the CONCERN?

Your front passenger-side airbag is affected by this recall based on the defect decision of TK Holdings, Inc. ("Takata"). Under certain circumstances during a crash that necessitates frontal airbag deployment, the defect in your passenger-side frontal airbag inflator may cause the airbag to **explode** during airbag deployment and **could result in sharp metal fragments striking the front passenger or other occupants, possibly causing serious injury or death.**

What will your DEALER DO?

An authorized Mercedes-Benz dealer will replace the passenger-side airbag module. **This service will be provided free of charge.** While the minimum repair time is approximately **2 hours**, your dealer can provide you with a better estimate of the overall time for this service visit. As a matter of normal service process, an authorized Mercedes-Benz dealer will also check for other repair measures which might be applicable to your vehicle which may increase the required working time. You will not be charged for other service or repairs unless so requested.

What should YOU DO?

To find the most convenient authorized Mercedes-Benz dealer from your smartphone, scan the QR code to the left.

See www.MBUSA.com/recall for the Dealer Locator. **Please mention you are scheduling an appointment to replace the Takata passenger-side airbag module under Recall Campaign # 2020080007.** You may be asked for your 17-digit Vehicle Identification Number (VIN) which for your convenience is located above your name at the top of this letter.

Impacts from COVID-19: Your health and safety remain our top priority. The Mercedes-Benz dealerships remaining open for recall repairs and service are closely following the guidelines set forth by the CDC. **Free Mobile Repair** at your home or business as well as vehicle pick-up and delivery may be available.
