IMPORTANT SAFETY RECALL
THIS NOTICE APPLIES TO YOUR VEHICLE
RECALL 170301REV
NHTSA # 17V140
April 2017

Dear Valued Holiday Rambler Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REV Recreation Group, Inc. (REV) has decided that a safety defect which relates to motor vehicle safety exists in certain Holiday Rambler Class A gas motor homes, equipped with an Onan 5.5 Kw EFI Generator:

Model Year 2016-2017 Admiral XE- only units equipped with Option 331- Dual Air Conditioners & Onan 5.5 Kw EFI Generator: manufactured February 24, 2016 through February 22, 2017

Model Year 2017 Vacationer XE: manufactured May 24, 2016 through February 13, 2017

WHAT IS THE PROBLEM?

On motorhomes affected by this recall, the external fuel pump and in-line fuel filter for the Onan 5.5 Kilowatt EFI Generator may be improperly secured to the underside of the motorhome chassis.

If the fuel pump, fuel filter, or connected fuel lines detach or are jarred loose, a fuel leak may result, posing the risk of fire or explosion in the presence of an ignition source.

WHAT SHOULD YOU DO?

Please make certain your motor home is immediately inspected and repaired by contacting an **authorized REV Recreation Group, Inc. dealer**.

For assistance locating an **authorized REV Recreation Group servicing dealer**, you may visit this web page:

WHAT WILL REV RECREATION GROUP DO?

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, REV dealers have been supplied with all of the information needed to enable them to inspect, and if necessary, properly fasten the Onan 5.5 Kilowatt EFI Generator's external fuel pump mounting bracket to the chassis frame and secure the fuel filter lines with insulated clamps.

The repair is expected to take less than one hour to complete; however, because of service scheduling times, your dealer may need the vehicle for a longer period of time. This service will be performed for you free of charge.

If you have paid to have this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information, please contact REV Recreation Group Owner Relations at (800) 509-3417.

When you deliver your motor home for repairs, your dealer will complete a **Repair Order**. Upon completion of the repair, please sign the **Repair Order** and fill out the enclosed self-addressed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group.

If you have changed your address or sold the motor home, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group. This will allow us to update our records and if necessary, notify the new owner using the information you provide.
