**NHTSA Recall 17V-143**

Dear Infiniti QX30 Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Infiniti has decided that certain 2017 model year Infiniti QX30 vehicles fail to comply with the requirements of the Federal Motor Vehicle Safety Standard (FVMSS) number 208, "Occupant Crash Protection." Our records indicate that you own or lease the Infiniti vehicle identified by the Vehicle Identification Number (VIN) inside of this notice.

**Reason for Recall**

Your vehicle may have been equipped with a driver-side curtain air bag assembly that was manufactured out of specification. These driver-side curtain air bag assemblies may not deploy as designed in the event of a crash, which may increase the risk of injury in a crash where driver curtain air bag deployment is warranted.

**What Infiniti Will Do**

Your Infiniti retailer will replace the affected driver-side curtain air bag assembly in your QX30 with a new one, at no charge, to correct the issue. This free service should take around two (2) hours to complete, but your Infiniti retailer may require your vehicle for a longer period of time based upon their work schedule.

**What You Should Do**

***Qué Debes Hacer***

Contact your Infiniti retailer at your earliest convenience in order to arrange an appointment to have your vehicle repaired. Please bring this notice with you when you keep your service appointment.
