IMPORTANT RECALL
THIS NOTICE APPLIES TO YOUR VEHICLE
RECALL 170317REV
NHTSA RECALL CAMPAIGN 17V-197
April 2017

Dear Valued Fleetwood RV Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REV Recreation Group, Inc., on behalf of its manufacturing center located in Decatur, Indiana, has decided that the federal certification tags for certain model year 2017 Bounder, Model 35P, Class A motorhomes fail to comply with the Code of Federal Regulations, Part 567, "Certification" requirements.

WHAT IS THE PROBLEM?

REV Recreation Group, Inc., has become aware that the tire size printed on the Certification Label, is incorrect.

The incorrect tire size printed on the label is "235/80R 22.5 G"; the correct tire size is "255/80R 22.5 G".

As a result of the incorrect information, the vehicle may be inadvertently fitted with incorrect replacement tires, which could lead to poor vehicle handling characteristics and contribute to a tire failure that could cause a crash causing property damage and/or personal injury.

WHAT SHOULD YOU DO?

Deface the original Certification Label and replace it with the new serial number specific Certification Label enclosed with this letter. You can locate the Certification Label on the inside sidewall just behind the driver's seat.

Note: Please peel the backing before applying over the defaced originals

WHAT WILL REV RECREATION GROUP DO?

If you do not feel comfortable installing the replacement label, you may take your motorhome to any Fleetwood RV dealer and they will perform this service at no charge to you. When you deliver your motorhome for repair, your dealer will complete a **Repair Order**, which you will need to sign.

Upon completion of the installation of the replacement label by yourself or a REV Recreation Group dealer, please fill out the enclosed self-addressed **Vehicle Information Update Card** and return it to REV Recreation Group.

If you have changed your address or sold the motorhome, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group. This will allow us to update our records and if necessary, notify the new owner using the information you provide.

If you have paid to have this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information, please contact REV Recreation Group Owner Relations.
