Compliance Recall Notice 17C05 / NHTSA Recall 17V-205
Aviso de Revisión de Cumplimiento 17C05

2017 Edge
Your Vehicle Identification Number (VIN):

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Ford Motor Company has decided that your vehicle, with the VIN shown above, fails to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 214 – Dynamic performance requirements for side impact crash.

We apologize for this situation and want to assure you that, with your assistance, we will correct this condition. Our commitment, together with your dealer, is to provide you with the highest level of service and support.

What is the issue? On your vehicle, it is possible that the roof may not be welded properly at the top of the front windshield. Vehicles with improper welds in this area may have reduced lateral structural integrity, potentially increasing the risk of injury in a side impact crash.

What will Ford and your dealer do? Ford Motor Company has authorized your dealer to repair the roof free of charge (parts and labor).

How long will it take? The time needed for this repair is typically one day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.

What should you do? Please call your dealer without delay and request a service date for Recall 17C05. Provide the dealer with your VIN, which is printed near your name at the beginning of this letter.

If you do not already have a servicing dealer, you can access www.Fordowner.com for dealer addresses, maps, and driving instructions.

**What should you do?
(continued)**

Ford Motor Company wants you to have this recall 17C05 completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed. Ford Motor Company can deny coverage for any vehicle damage that may result from the failure to have this recall performed on a timely basis. Therefore, please have this recall performed as soon as possible.

Please note: Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Your vehicle may be equipped with a diagnostic feature called the Vehicle Health Report, which can inform you about all available recalls, as well as other key vehicle health information. Please see <https://owner.ford.com/vehicle-health> for more information.

Do you need a rental vehicle?

Your dealer is authorized to provide a rental vehicle for your personal transportation at no charge (except for fuel and insurance) while your vehicle is at the dealership for repairs. Please see your dealer for guidelines and limitations.

What if you no longer own this vehicle?

If you no longer own this vehicle, and have an address for the current owner, please forward this letter to the new owner.

You received this notice because government regulations require that notification be sent to the last known owner of record. Our records are based primarily on state registration and title data, which indicate that you are the current owner.
