This notice applies to your vehicle, \_\_\_\_\_.

Date: August 2017

Dear FIRSTNAME LASTNAME,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

**Reason for notice:** Mitsubishi Motors North America, Inc. (MMNA) has decided that a defect which relates to motor vehicle safety exists in certain 2016 Outlander and Outlander Sport vehicles. Due to inappropriate manufacturing processes involving certain components used inside the door latch, certain dimensions of these components may be out of specification. As a result, the door latch mechanism may not securely latch in high-temperature conditions. If this occurs and the door mechanism does not securely latch, the door could inadvertently open while the vehicle is in motion, creating a risk of injury.

Additionally, our records indicate that you have not yet responded to the following recall: (1) "CVT Hesitation – Safety Recall Campaign". During initial acceleration from a standstill, or when accelerating again after either constant speed operation or coasting down, affected CVT equipped vehicles may experience a hesitation if the range switch momentarily experiences a loss of signal. If the range switch momentarily experiences a loss of signal, this may result in reduced vehicle acceleration, resulting in an increased risk of an accident.

**What you should do:** Please contact your local Mitsubishi Motors dealer and schedule an appointment to have these recalls performed. When you bring your vehicle in, please show the dealer this letter. If you misplace this letter, the dealer will still perform these repairs for your vehicle, free of charge.

**What your dealer will do:** The dealership will replace the affected door latches with remedy parts, and the dealership will reprogram the CVT-ECU with a modified software.

**How long will it take?** The time needed for these repairs is approximately 2 hrs. The dealer may need your vehicle for a longer period of time, but every effort will be made to minimize your inconvenience.

If you experience any problem having your vehicle repaired promptly and/or at no charge, please inform us by calling the Mitsubishi Customer Relations Department at **888-648-7820**. Hours: Monday through Friday 7 a.m. to 4 p.m. (Pacific Time)
