Certain 2015-2017 Model Year Audi A7**

Dear Audi Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Our records show that you are the owner of a vehicle affected by this action.

What is the issue? Due to a production issue at the supplier, a head curtain airbag may not unfold properly during deployment. This may result in an increased risk of injury or death in a crash where the head curtain airbag deploys, particularly to an unbelted passenger.

What will we do? To correct this noncompliance, your authorized Audi dealer will replace one or both of the head curtain airbags in your vehicle. This work will take up to one day to complete and will be performed for you free of charge.

What should you do? Please contact your authorized Audi dealer without delay to schedule this recall repair. For your convenience, you can also visit www.audiusa.com and click on the "Find a Dealer" link to locate a dealer near you and schedule this service.

Your authorized dealer will schedule your repair appointment to ensure parts are available at the dealership when you arrive for your appointment.
