***** IMPORTANT SAFETY RECALL *****
(PROGRAMA DE SEGURIDAD IMPORTANTE)

Compliance Recall Notice 17C08 / NHTSA Recall 17V-332
Aviso de Revisión de Cumplimiento 17C08

2017 F-150 Ford Truck
Your Vehicle Identification Number (VIN):

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Ford Motor Company has decided that your vehicle, with the VIN shown above, fails to conform to Federal Motor Vehicle Safety Standard (FMVSS) 202: Head Restraints and FMVSS 207: Seating Systems.

We apologize for this situation and want to assure you that, with your assistance, we will correct this condition. Our commitment, together with your dealer, is to provide you with the highest level of service and support.

What is the issue? On your vehicle, the driver seat backrest frame may have been improperly welded, which could result in an inoperative or difficult to operate seat backrest recliner, seat squeaks, unexpected or sudden movement on one side, or a seat backrest that appears to be leaning rearward on one side.

What is the risk? An improperly welded seat backrest frame may not adequately restrain an occupant in a crash, increasing the risk of injury.

What will Ford and your dealer do? Ford Motor Company has authorized your dealer to inspect, and if necessary, replace the driver seat backrest frame free of charge (parts and labor).

How long will it take? The time needed for this repair is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time. In addition, your vehicle may require an inspection to determine if parts need to be ordered.

What should you do? Please call your dealer without delay and request a service date for Recall 17C08. Provide the dealer with your VIN, which is printed near your name at the beginning of this letter.

If you do not already have a servicing dealer, you can access www.Fordowner.com for dealer addresses, maps, and driving instructions.

**What should you do?
(continued)**

Ford Motor Company wants you to have this recall completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed.

Please note: Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Your vehicle may be equipped with a diagnostic feature called the Vehicle Health Report which can inform you about all available recalls, as well as other key vehicle health information. Please see <https://owner.ford.com/vehicle-health> for more information.

Do you need a rental vehicle?

If your dealer determines that driver seat backrest frame replacement is required and needs your vehicle overnight, your dealer is authorized to provide a rental vehicle for your personal transportation at no charge (except for fuel and insurance) while your vehicle is at the dealership for repairs. Please see your dealer for guidelines and limitations.

What if you no longer own this vehicle?

If you no longer own this vehicle, and have an address for the current owner, please forward this letter to the new owner.

You received this notice because government regulations require that notification be sent to the last known owner of record. Our records are based primarily on state registration and title data, which indicate that you are the current owner.

Can we assist you further?

If you have difficulties getting your vehicle repaired promptly and without charge, please contact your dealership's Service Manager for assistance.

RETAIL OWNERS: If you have questions or concerns, please contact our **Ford Customer Relationship Center at 1-866-436-7332** and one of our representatives will be happy to assist you. If you wish to contact us through the Internet, our address is: www.Fordowner.com.
