Non Compliance Recall H026: Front Turn Signal Indicator Lamp Failure Warning

**Vehicle Affected: Jaguar F-Type
Model Year: 2018**

National Highway Traffic Safety Administration Recall Number: 17V-341

Dear Jaguar Owner:

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*. Jaguar has determined certain 2018 model year Jaguar F-Type vehicles fail to conform to the requirements of the Federal Motor Vehicle Safety Standard (FMVSS) 108 Lamps, Reflective Devices and Associated Equipment

Your vehicle is included in this Recall action.

What is the concern?

In the event of a front turn signal indicator lamp Light Emitting Diode (LED) failure or failure of the headlamp module which affects operation of the front turn signal indicator lamps, the required warning is not provided. The frequency tell-tale illumination and audible 'tick-tock' are unchanged and the driver will not be alerted to a failure of one or both of the front turn signal indicator lamps.

If a turn signal does not illuminate, drivers of other vehicles may not be aware that the affected vehicle is turning, increasing the risk of a crash.

What will Jaguar and your authorized Jaguar retailer do?

An authorized Jaguar retailer will update the software in the headlamp modules of affected vehicles.

There will be no charge for this repair.

What should you do?

Please contact your authorized Jaguar retailer at your earliest convenience to schedule an appointment to have Recall Action 'H026' completed on your vehicle.

How long will it take?

The work will be carried out as quickly and efficiently as possible in order to minimize inconvenience to customers and is expected to take approximately 15 minutes, although your retailer may need your vehicle for a longer time. Your retailer can provide you with a better estimate of the overall time for the service visit.

Attention Leasing Agencies: Federal regulations require that you forward this recall notification to the lessee within (10) TEN days
