# IMPORTANT SAFETY RECALL

This notice applies to your vehicle, VIN: XXXXXXXXXXXXXXXXX

Dear Hyundai Santa Fe Sport owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Hyundai has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2017 Hyundai Santa Fe Sport vehicles produced at Hyundai Motor Manufacturing Alabama beginning on June 20, 2016 through April 24, 2017. Our records indicate that you own or lease the vehicle identified by the VIN on this notice.

### What is the problem?

The driver’s seat belt anchor in the Hyundai Santa Fe Sport is secured to the inner sill structure with a bolt. This bolt may not have been fastened to the vehicle’s inner sill structure with the appropriate amount of torque during vehicle assembly. If the driver’s seat belt detaches from the anchor point in a collision, the risk of injury or death to the occupant is increased.

### What will Hyundai do?

Your Hyundai dealer will verify the connection between the driver’s seat belt anchor and the vehicle’s inner sill structure. This procedure will be performed at no charge to you. We recommend scheduling a service appointment to minimize inconvenience.
