IMPORTANT RECALL NOTICE

This notice applies to your vehicle, VIN

Model:

July 21, 2017

Dear Yamaha Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Yamaha Motor Corporation, U.S.A. has decided that a defect that relates to federal motor vehicle regulations exists in certain 2017 YFZ-R3 motorcycles that fail to comply with the requirements of 49 CFR Part 567, "Certification." In affected motorcycles, the Motor Vehicle Certification Label is incorrect. Inadvertently, Canadian certification labels were used during manufacturing instead of the US-specification certification label. Our records indicate that you own the affected motorcycle shown above.

The reason for this recall: To correct this defect, Yamaha is initiating a Factory Modification Campaign. Affected units must have the Motor Vehicle Certification Label removed and replaced with a corrected certification label. Without the correct VIN information, owners may be unaware of important safety recalls.

What Yamaha and your dealer will do: To correct this defect, your authorized Yamaha dealer will replace the Motor Vehicle Certification Label with the correct one. The procedure takes about 30 minutes to do, but be aware that your Yamaha dealer may need to keep your motorcycle longer. **There will be no charge to you for this procedure.**

What you should do now: Please call your Yamaha dealer to make a service appointment to have this procedure performed. At that same time, you can find out how long they expect to keep your motorcycle to complete this service. Remember to take this letter with you when you take in your motorcycle.

You should have this modification done by your dealer as soon as possible to avoid potential problems with vehicle registration in the future.

If you are unable to return to the Yamaha dealer who sold you the motorcycle, this service will be performed by any authorized Yamaha motorcycle dealer. To find a dealer near you, call 1-800-88-YAMAHA or visit the Yamaha website at www.yamaha-motor.com.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within 10 days.
