***** IMPORTANT SAFETY RECALL *****
(PROGRAMA DE SEGURIDAD IMPORTANTE)

Compliance Recall Notice 17C12 / NHTSA Recall 17V-526
Aviso de Revisión de Cumplimiento 17C12

Your Vehicle Identification Number (VIN):

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Ford Motor Company has decided that your vehicle, with the VIN shown above, fails to conform to Federal Motor Vehicle Safety Standard (FMVSS) 210: Seat Belt Assembly Anchorages.

We apologize for this situation and want to assure you that, with your assistance, we will correct this condition. Our commitment, together with your dealer, is to provide you with the highest level of service and support.

What is the issue? On your vehicle, the rivet connecting the left-hand rear inflatable seatbelt buckle to the floor anchor may have an inadequate head thickness.

What is the risk? Inadequate rivet head thickness may result in separation of the left-hand rear inflatable seatbelt buckle from its mounting bracket during a crash, increasing the risk of injury.

What will Ford and your dealer do? Parts are now available to repair your vehicle. Ford Motor Company has authorized your dealer to inspect and, if necessary, repair the left hand rear seatbelt buckle free of charge (parts and labor).

How long will it take? The time needed for this repair is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time. In addition, your vehicle will require an inspection to determine if parts need to be ordered.

What should you do? Please call your dealer without delay and request a service date for Recall 17C12. Provide the dealer with your VIN, which is printed near your name at the beginning of this letter.

If you do not already have a servicing dealer, you can access www.Fordowner.com for dealer addresses, maps, and driving instructions.

**What should you do?
(continued)**

Ford Motor Company wants you to have this recall completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed.

Please note: Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

NOTE: You can receive information about Recalls and Customer Satisfaction Programs through our FordPass App. The app can be downloaded through the App Store or Google Play. In addition there are other features such as reserving and paying for parking in certain locations and controlling certain functions on your vehicle (lock or unlock doors, remote start) if it is equipped to allow control.

What if you no longer own this vehicle?

If you no longer own this vehicle, and have an address for the current owner, please forward this letter to the new owner.

You received this notice because government regulations require that notification be sent to the last known owner of record. Our records are based primarily on state registration and title data, which indicate that you are the current owner.

Can we assist you further?

If you have difficulties getting your vehicle repaired promptly and without charge, please contact your dealership's Service Manager for assistance.
