It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

#### WHY DOES MY VEHICLE NEED REPAIRS?

The second-row center seating position seat belt buckle on your vehicle <sup>[1]</sup>, in certain passenger seating and vehicle use situations, may cause the left outboard seat belt to become unlatched. **An unlatched seat belt could increase the risk of injury to left second-row occupants during a crash.**

#### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will replace the second-row center seat belt buckle. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit. Your time is important to us; please be aware that these steps may require more time. The estimated repair time is one hour. We recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.
