IMPORTANT SAFETY RECALL

See enclosed VIN list

Subject: TBB Freedman 3-Point Seat Belt Brackets

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler Trucks North America LLC, on behalf of its wholly owned subsidiary, Thomas Built Buses, Inc., has decided that a defect which relates to motor vehicle safety exists on specific Saf-T-Liner C2 and HDX school buses and non-school buses equipped with Freedman 3-point belted seats and manufactured September 4, 2013, through May 15, 2017.

On certain buses, 3-point belted seats may not meet anchorage requirements due to a missing reinforcement bracket. In the event of a crash, this may increase the risk of injury.
