IMPORTANT SAFETY RECALL

November 2017

This notice applies to your vehicle, **VIN:** _____

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect, which relates to motor vehicle safety, exists in certain 2015-2016 model year Chevrolet Colorado, GMC Canyon and 2016 model year Chevrolet Volt vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- Your vehicle is involved in GM safety recall 17387.
- Schedule an appointment with your GM dealer.
- This service will be performed for you at **no charge**.

Why is your vehicle being recalled?

The second stage of the driver frontal airbag may not deploy properly in certain high-speed crashes. If your vehicle is involved in a high-speed crash that triggers the second-stage deployment of the driver frontal airbag, the second stage of the inflator may not fill the airbag as completely and as quickly as designed, which could lead to an increased risk of injury to the driver.

What will we do?

Your GM dealer will replace the driver frontal airbag module. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual service correction time of approximately 25 minutes.

What should you do?

You should contact your GM dealer to arrange a service appointment as soon as possible. If you are unsure if you have had this repair done, please contact your dealer.

Did you already pay for this repair?

If you have already had this condition repaired, you do not need to take your vehicle to your dealer for this recall. Working with your dealer will expedite your request, however, if this is not convenient, you may mail the completed reimbursement form and all required documents to Reimbursement Department, PO Box 33170, Detroit, MI 48232-5170. The completed form and required documents must be presented to your dealer or received by the Reimbursement Department by November 30, 2018, unless state law specifies a longer reimbursement period.
