IMPORTANT SAFETY RECALL 17V-649 – SECOND NOTICE

Dear Owner of VIN: XXXXXXXXXXXXXXXX,

This notice is being sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Revability has decided that certain models have a defect that relates to motor vehicle safety. These vehicles were built between October 2010 and June 2017.

Why is your vehicle being recalled?

The fuel line assembly crimp fasteners do not meet current integrity standards. The crimped fasteners, used to retain the fittings/connectors in the fuel line, may not be adequately crimped, allowing fuel to seep from the fuel line at the hose/fitting assembly.

What will we do?

We are instructing your Dealer, or a certified repair facility designee, to inspect and repair your vehicle using the required parts and instructions to complete the repair and meet or exceed the necessary integrity standards. These repairs are offered to you free of charge. The estimate time to repair is 0.5 hours.

What should you do?

Contact your local Mobility Dealer from whom the vehicle was purchased. The Dealer will schedule a time to have your vehicle inspected and repaired. Should you have any questions after contacting your Dealer regarding the inspection and repair of the vehicle, do not hesitate to contact REV Solutions at (844) 473-8287.

What if you no longer own this vehicle?

If you no longer own this vehicle, please contact REV Solutions at (844) 473-8287.

! IMPORTANT !

- Your Revability vehicle is being recalled.
- Contact your dealer, or call (844) 473-8287 to schedule your vehicle repair.
- This vehicle repair will result in no cost to you.

Who should you contact if you have further questions or concerns?

If you have further questions, please contact your Dealer or call REV Solutions toll free at (844) 473-8287. If you have leased this vehicle to another person, federal regulations require you to send a copy of this notice to your lessee by first-class mail within ten days of your receipt of this notice. Your local Revability dealer can be found at <https://parts.revgroup.com/gensuite/web/findADealer>.

If you have already performed this remedy, you may be eligible to receive reimbursement for the cost of performing the remedy that is the subject of this recall.

If Revability Inc. fails to remedy this defect within a reasonable time, you may submit a written complaint to:

Administrator, National Highway Traffic Safety Administration
1200 New Jersey Avenue, SE, Washington, D.C. 20590

or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153) or go to <http://www.safercar.gov>.

We apologize for any inconvenience this safety recall may cause, but your safety is our first concern.
