

NHTSA Campaign Number: 17V772

Date: December 2017

Dear Customer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

MV Agusta Motor S.p.A has decided that a safety defect exists on a production batch of some rear wheel rims used for our model MV Agusta Brutale 800 Dragster RR produced from 26 June 2017 to 25 September 2017. We are therefore conducting a voluntary safety recall.

YOUR VEHICLE IS AFFECTED

Affected motorcycles have spokes on the rear wheel rim that may be loose or that may become loose, subjecting the rim to potential failure during normal use of the motorcycle, thereby increasing the risk of a crash.

WARNINGS which can precede failure:

If the spokes are loose or become loose, the wheel may react abnormally causing the motorcycle to wobble when ridden. Do not ride your motorcycle under any circumstance.

MV Agusta is taking the following measures to remedy the defect:

- Notifying affected MV Agusta owners.
- Conducting a voluntary recall so that affected vehicles will be inspected and repaired by a MV Agusta dealer, free of charge.
- The recall will involve installing a new rear wheel rim, free of charge.
- The earliest date that a MV Agusta dealer can remedy the defect is 15 December 2017. We ask that you make arrangements with your MV Agusta dealer immediately. The service will take approximately 60 minutes.

IT IS IMPERATIVE TO COMPLETE THE RECALL AS SOON AS POSSIBLE.

Please note that you may submit a complaint to the National Highway Traffic Safety Administration, 1200 New Jersey Ave SE. Washington, DC 20590, or you may call the toll free Auto Safety Hotline at 1-888- 327-4236 (TTY 800 424 9153) or go to www.safercar.gov , if you believe that:

- MV Agusta or your designated repair facility has failed to or is unable to remedy the defect without charge.
- MV Agusta or your designated repair facility has failed to or is unable to remedy the defect without charge within a reasonable time, which is not longer than 60 days after you tender the vehicle to the designated repair facility.

Any Lessor that receives this notification must send a copy of this notice to the Lessee.

Any Dealer that receives this notification must send a copy of this notice to the Customer.

MV Agusta will reimburse an owner who has already incurred costs to obtain a remedy for the problem addressed by this recall (other than caused by accident or abuse) done on affected vehicles prior to the recall.

We apologize for this inconvenience, however we have taken this action in the interest of your safety and continued satisfaction with our products. If you have any questions, please contact:
