- A remedy is available for your vehicle.
- Schedule an appointment with your authorized Freightliner Sprinter dealer as soon as possible.
- This repair will be provided free of charge.

Dear Freightliner Sprinter Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler AG (DAG), the manufacturer of Freightliner Sprinter vehicles, has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2017 Sprinter vehicles. Our records indicate that your vehicle is included in the affected population of vehicles.

What is the CONCERN?

On certain Model Year 2017 Freightliner Sprinter vehicles equipped with Crosswind Assist, the control units for the ESP (Electronic Stability Program) may not have been coded for the Crosswind Assist Function. In the event of strong, gusty crosswinds where the vehicle is travelling above approximately 50 mph, the Crosswind Assist intervenes with automatic brake applications. Should the vehicle not have been coded for the Crosswind Assist Function, the automatic brake applications would not take place. This could impact the driver's safety expectations, which may increase the risk of a crash.

What will your DEALER DO?

An authorized Freightliner Sprinter dealer will configure the ESP control units for the Crosswind Assist Function. This service will be provided free of charge. We are dedicated to always delivering the best customer experience, and respect for your time is a top priority. While the minimum repair time can be up to **approximately 30 minutes**, your dealer can provide you with a better estimate of the overall time for this service visit. As a matter of normal service process, an authorized Freightliner Sprinter dealer will also check for other repair measures which might be applicable to your vehicle and this may increase the required working time.

What should YOU DO?

For additional information and to schedule an appointment, please contact your preferred authorized Freightliner Sprinter dealer at your earliest convenience. To locate authorized dealers see www.freightlinersprinterusa.com/freightliner/owners-resources/recall. **Please mention you are scheduling an appointment to check the spare wheel holder under Recall Campaign # 2018010001.**

To find the most convenient authorized Freightliner dealer from your smartphone, scan the QR code to the left.

You may be asked for your 17-digit Vehicle Identification Number (VIN) which for your convenience is located above your name at the top of this letter.

Information for Owners

In the event that you are no longer the vehicle owner, or have had a change of address, please complete the reverse side and return the updated information in the enclosed envelope.

If this is a leased vehicle and the lessor and registered owner receive this notice, please forward this information by first class mail to the lessee within 10 business days to comply with Federal Regulations.

A VIN-based recall lookup tool on our FreightlinerSprinterUSA.com website now offers a search feature that will indicate whether a vehicle has been subject to a safety recall, and whether that vehicle has had the free remedy performed. See www.freightlinersprinterusa.com/freightliner/owners-resources/recall. Should you have any questions or encounter any difficulty regarding this Recall Campaign, please contact an authorized Freightliner Sprinter dealer. If for any reason a dealer is unable to remedy your situation, we are always happy to hear from you. Please contact us at 1-877-762-8267.

If an authorized Freightliner Sprinter dealer for any reason is unable to remedy the situation without charge, or within a reasonable amount of time, pursuant to law 49 U.S.C. Chapter 301, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590 or call the toll-free Auto Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153); or go to <http://www.safercar.gov>.

We apologize for any inconvenience this situation may cause you.

Sincerely,

Daimler Vans USA, LLC
