SITUATION

BMW AG is conducting a Voluntary Safety Recall (effective May 18, 2017) on Model Year 2005 - 2007 BMW 7 Series, with options Comfort Access / Soft Close Automatic, and involves the door latch.

The door can appear to be closed, although it has stopped in a position where the main detent is not fully engaged. Therefore, an irregular road surface, or an inadvertent contact with the door interior, could cause it to unexpectedly open while driving.

This bulletin will be updated with repair instructions, parts and warranty information when it becomes available.

A Q&A has been attached for further information.

AFFECTED VEHICLES

Approximately 45,484 vehicles are affected by this recall.

Vehicles in dealer inventory are affected by this recall/stop. Vehicles which are affected will show the campaign as "Open" when checked either in AIR or ISPA Next. The affected vehicles will be identified with the comment: **0051170400 B51 24 17 Recall: Do not retail or deliver.**

CUSTOMER CONCERNS

Customers were mailed a letter informing them that they are affected by this recall with no remedy available at this time. Attached is a copy for your reference.

If a customer contacts you, please inform them that the remedy is not available at this time and they will receive a follow-up letter informing them when the remedy is available and to schedule an appointment.

If a customer contacts you and they have a current issue with the door latch, please contact Customer Relations at doorlatchsupport@bmwna.com with customer name, VIN and description of issue. Please do not use this email for regular customer inquiries.

SAFETY RECALL NOTICE

To: All Center Operators, Sales Managers, Service Manager, Parts Manager and Warranty Processor

RE: Recall 17V-XXX: Door Latches

BMW AG is conducting a Voluntary Safety Recall (effective May 18, 2017) on Model Year 2005 - 2007 BMW 7 Series, with options Comfort Access / Soft Close Automatic, and involves the door latch.

Owners will be notified by First Class mail about the Recall and will be instructed to bring their vehicles in for a free repair when parts are available.

Please be reminded that it is a violation of federal law (The Safety Act) for you to sell, lease or deliver any new motor vehicle covered by this notification until the recall repair has been performed. This means that centers may not legally deliver new motor vehicles to consumers until they are fixed or use/sell replacement equipment/parts subject to this recall. Note also that substantial civil penalties apply to violations of the Safety Act.

Also, you should not sell, lease or deliver any Certified Pre-Owned or used vehicles subject to a safety recall until the repair is completed.

Please follow any special instructions that we provide to you for the return or disposition of recall parts.

We appreciate all your assistance with this Recall.

IMPORTANT SAFETY RECALL – Initial Notice – Remedy Unavailable

This notice applies to your vehicle, [INSERT VIN]
Recall Campaign No. 17V-328: Door Latches

July 2017

Dear BMW Owner / Lessee:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. BMW AG has decided that a defect, which relates to motor vehicle safety, exists in certain Model Year 2005-2008 BMW 7 Series vehicles. Our records indicate that you are the owner of a potentially affected vehicle.

Why are we contacting you?

At the present time, we are not ready to perform this recall on your vehicle. We will notify you with a follow-up letter as soon as we can perform this recall. **Please note that your vehicle may have been previously affected by recall 12V-504. This new recall, 17V-328, replaces 12V-504.**

What could happen?

This recall involves the door latch system. The door can appear to be closed, although it may have stopped in a position close to the vehicle body and not be completely closed. Therefore, an irregular road surface, or inadvertent contact with the door interior, could cause the door to unexpectedly open while driving. If the door unexpectedly opens while driving, this could result in a crash or increase the risk of injury.

If the door does not close or stay latched, do not attempt to drive while trying to hold the door closed. If the door unexpectedly opens while driving, carefully move away from traffic and pull over to a safe location as soon as possible. Do not continue to drive the vehicle. Please contact an authorized BMW center to have your vehicle inspected and, if necessary, repaired.

If you are not the only driver of this vehicle, please advise all other drivers and passengers of this important information.

What will BMW do?

The door latch system update will be performed **free of charge**, and will take approximately [xxx] hours.

What if the current vehicle ownership information is incorrect?

You can update the vehicle ownership or your contact information by completing the enclosed postage-paid card or by registering at <http://www.bmwusa.com/myBMW>. **If you are a vehicle lessor, Federal Regulations require you to forward this notice to your lessee within ten days.**

What if you have questions or experience problems?

For the latest updates to this recall, please visit www.bmwusa.com/recall. Should you have any questions about this recall, please contact your authorized BMW center. If you need additional assistance, contact BMW Customer Relations and Services at 1-800-525-7417 or at CustomerRelations@bmwusa.com.

If your BMW center is unable to remedy the defect without charge or within a reasonable period of time, you may notify the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, DC 20590, call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153), or go to <http://www.safercar.gov>.

Please be assured that your safety is important to us and we sincerely apologize if this recall causes any inconvenience. We recommend that you and your passengers wear your safety belt at all times.

Sincerely,
