**IMPORTANT SAFETY RECALL
THIS NOTICE APPLIES TO YOUR VEHICLE
RECALL 161229REV
NHTSA RECALL CAMPAIGN 17V003
2nd Notice - June 2017**

Dear Valued Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REV Recreation Group, Inc. (REV) has decided that a safety defect which relates to motor vehicle safety exists in certain model year 2017 Holiday Rambler brand Admiral XE and Vacationer XE, Class A motor homes.

WHAT IS THE PROBLEM?

On motor homes affected by this recall, the Hellwig brand sway bar attached to the rear of the chassis may not have the correct torque specifications applied. This can cause the nuts to come loose and the sway bar to fall. If the rear sway bar falls from the vehicle, it may present a road hazard and a risk of accident and/or personal injury.

WHAT WILL REV RECREATION GROUP DO?

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, **certain dealers authorized by REV** have been supplied with the information needed to enable them to replace the attachment hardware for the Hellwig rear sway bar, and torque the fasteners to proper specifications. This service will be performed for you free of charge.

WHAT SHOULD YOU DO?

Please contact **REV Recreation Group Owner Relations** toll free for assistance with arranging repairs:

When you deliver your motor home for repairs, your dealer will complete a **Repair Order**. Upon completion of the repair, please sign the **Repair Order** and fill out the enclosed self-addressed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group.

If you have changed your address or sold the motor home, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle/Owner Information Update Card** and return it to REV Recreation Group.
